Does Canadian Solar offer a warranty on the EP Cube?

Backed by Canadian Solar's global service network, the EP Cube comes with a 10-year comprehensive warranty covering the inverter, batteries, and Smart Gateway. Each system provides split-phase 120/240 V output with a <10 ms transfer time, keeping lights and sensitive electronics powered without interruption.

What is included in a hybrid inverter kit?

Complete Kit includes: Hybrid Inverter, Gateway, Batteries, Base Mount and Wall Brackets. Integrated hybrid inverter Supports DC and AC PV input Suitable for new and retrofit PV systems Modular and stackable design, easy to install and transport Capacity options from 9.9 kWh to 19.9 kWh per EP Cube unit and up to 119.9 kWh

What is a hybrid inverter?

Integrated hybrid inverter Supports DC and AC PV input Suitable for new and retrofit PV systems Modular and stackable design, easy to install and transport Capacity options from 9.9 kWh to 19.9 kWh per EP Cube unit and up to 119.9 kWh Comprehensively guarantee household power supply

Canadian Solar EP Cube -- scalable 9.9 - 59.4 kWh all-in-one solar backup system with hybrid inverter, LiFePO4 batteries, smart gateway, and 10-year warranty.

Its modularity allows for flexible energy capacity expansion, ranging from approximately 9.9kWh to 19.9kWh per unit, and scalability up to 119.9kWh for substantial power reserves.

The EP Cube is a modular energy storage solution thoughtfully designed to meet the specific demands of the Canadian market. With its flexible, stackable battery system, the EP Cube allows you to scale ...

Canadian Solar's EP Cube Achieves Solar Insure AVL Inclusion, Partnering to Enhance Residential Storage Reliability Canadian Solar today announced that its high-performance residential energy ...

Shop Canadian Solar Hybrid Systems online or call us, Solarflexion, at 800-942-2424 for your solar needs.
