-----

Find comprehensive data on the utility rates, average monthly bills and outages.

CoServ Members have affordable, easy-to-understand electric rates and that never expire and include no hidden fees or fine print.

See Coserv Electric's electric rates, average bill, and how they generate or buy their power.

Find rates, rebates, and other ways to save money on your electricity bill if you are a CoServ customer.

CoServ's "Standard Residential Rate" consistently beats the average REP 12-month fixed plan by about \$44/month (? \$500/year). As of March 1, 2023, CoServ directly manages 100% of ...

CoServ's bylaws and tariffs provide complete transparency about our governing principles and pricing for electricity and natural gas services. Please see our residential or commercial rate plans for additional ...

Although their electricity rates are higher than those in the deregulated areas of Texas, CoServ's customers tend to have cheaper electric rates than those served by other co-op companies in the state.

All of CoServ's residential electric rates include energy charges and wires (transmission and distribution) charges. All of these rate plans can be combined with one or more of our Billing Programs to simplify ...

Estimate Your Savings For Different Rate Plans The projected cost shown below are estimates based upon our current energy charges and your previous energy usage.

Once all information is registered, customers will automatically be signed up for the "Default" CoServ Electric plan, but customers can choose a different rate/plan to go with!
