Do I need a customs & Goods Declaration form in Belarus?

Yes. All people arriving in and leaving Belarus must complete a customs and goods declaration form. These are usually available on the plane and at the airport. What are the rules for personal luggage? Travelers (natural persons) are allowed to carry in their luggage goods for personal use duty-free:

Can you take a solar power bank on a plane?

Solar power banks are highly convenient for travelers. Luckily, they are permitted on planes, provided they comply with airline regulations. The same rules for batteries apply: power banks with a capacity of up to 100 Wh are universally accepted in carry-on luggage. Larger capacities require prior approval from the airline.

Are solar panels allowed on planes?

Yes, portable solar panels are generally allowed on planes, but there are a few caveats to keep in mind. Most airlines permit solar panels as part of your carry-on or checked luggage. However, the size, weight, and type of the panel might determine whether additional restrictions apply.

How bad are Belarusian detention facilities?

Belarusian detention facilities are extremely poor. There are credible reports that authorities mistreat and abuse prisoners while in custody. The Belarusian authorities have denied prisoners access to their embassy and lawyers. They have restricted communication with family outside prison. Reconsider bringing electronic devices into Belarus.
