Are Bess containers made in India?

BESS Containers by APPL Container are proudly Made in India under the Make in India initiative. These modular, pre-engineered containers are ideal for managing and storing electrical energy efficiently. Designed for seamless deployment across solar, wind, and backup energy systems, they ensure grid reliability and emergency readiness.

What is a Bess container?

BESS containers are a robust solution for today's energy challenges. Renewable Energy Integration: Store excess solar and wind energy for later use. Grid Stabilization: Assist with peak shaving, frequency regulation, and voltage support. Emergency Backup: Power critical infrastructure like hospitals during outages.
