What is the Myanmar telecommunications market report 2020-2025?

The Myanmar Telecommunications Industry Report, 2020-2025 includes a comprehensive review of the Burmese market dynamics, market sizing, market forecasts, analysis, insights and key trends.

Does Myanmar have a telecommunications market?

Our Myanmar Telecoms Industry Report transactions database analysis highlights the dearth of inbound (domestic) transactions in the Myanmar telecommunications services market, with the largest transactions from private equity firms bulking up their mobile tower portfolios and consolidating their position by acquiring smaller operators.

Is the Burmese telecommunications industry stable?

Idem Est Research expects the Burmese telecommunications industry to remain steady thanks to the defensiveness nature of the industry, amid the political uncertainties and an uncertain economic outlook due to the COVID-19 pandemic.
