Where can I get free shipping on solar panels?

Get free shipping on qualified Solar Panels products or Buy Online Pick Up in Store today in the Electrical Department.

What are the different types of solar panels?

There are two types of solar panels: monocrystalline (mono) and polycrystalline (poly) silicon. At GoGreenSolar, we offer mono solar panels exclusively, as they're known for their higher efficiency and better performance in low-light conditions. Half-cut solar cells are a recent breakthrough in solar technology.

What is a rooftop solar PV (photovoltaic) system?

These panels are designed for efficient solar energy conversion, making rooftop solar PV (photovoltaic) systems more attainable for (DIY) homeowners and businesses alike. We offer packaged, complete solar systems tailored for both contractors and DIY enthusiasts.
